

Swiss Paediatric Intensive Care Fellows Lecture Series

Welcome to the Swiss Paediatric Intensive Care Fellows Lecture Series! Webinars for paediatric intensive care trainees/fellows preparing for the Swiss Intensive Care exam given by experienced paediatric intensivists members of the Paediatric and Neonatal Interest Group of the Swiss Society of Intensive Care Medicine (SSICM).

Webinars will be held on the **third Thursday of each month, from 12.30-1.30pm via Zoom**. An archive of the webinars are stored securely on the SSICM (SGI/SSMI) website within the member's area on the IG Pädiatrie und Neonatologie page and can be watched by members on demand. The SSICM has granted each lecture one continuous medical education (CME) credit point.
