

# Swiss Paediatric Intensive Care Fellows Lecture Series

Welcome to the Swiss Paediatric Intensive Care Fellows Lecture Series! Webinars for paediatric intensive care trainees/fellows preparing for the Swiss Intensive Care exam given by experienced paediatric intensivists members of the Paediatric and Neonatal Interest Group of the Swiss Society of Intensive Care Medicine (SSICM).

Webinars will be held on the **third Thursday of each month, from 12.30-1.30pm via Zoom**. A securely stored archive of the webinars is available on the SSICM (SGI/SSMI) website within the member's area on the *IG Pädiatrie und Neonatologie* page. To access this: *log in, go to 'Members area/Mitgliederbereich' in the dropdown menu on top right of webpage, click on IG Pädiatrie und Neonatologie, select the Swiss Paediatric Intensive Care Fellows' Lecture Series in the menu below*. The SSICM has granted each lecture one continuous medical education (CME) credit point.
